## ABOUT EXCURSIONS..

- Most excursions will require all children to participate who are present on the day however sometimes children can choose whether or not to attend an excursion if there will be other children and staff remaining at the Centre. This usually applies to local excursions such as town wander or bushwalk.
- Excursions may be cancelled, postponed or changed due to unforeseen circumstances. If possible, the event will be replaced by another event of similar value. Families will be advised of changes as soon as possible and children will only be taken on excursions with specific authorisation for that event.
- Children who are enrolled to start in kindergarten can attend vacation care from the January school holidays.
- A permission form must be signed by an authorised collector for all children attending excursions. Forms are available on our website or we have paper versions at the service.
